

## Lesson Plan

### Farm Words

**Book:** *Big Machines on the Farm*

**Series:** Big Machines

**Level:** Scout

### Objective

To help students use images and context clues to understand and use words about machines used on farms.

### Supplies

- *Big Machines on the Farm* book
- Farm Words worksheet (attached)

### Before the Activity

Read the *Big Machines on the Farm* book out loud to students. Print the worksheet or email copies to students.

### Activity

Farmers use many machines to do work on their farms. Today, students will complete sentences about some of these machines. Students should use the words from the word bank to fill out the worksheet. Each word will only be used once. Students can look back through the book's images and text to help figure out what each word means. They can write it in the sentence where it belongs.

### Evaluation

Collect the worksheets and give each student 1 point for each correct answer, for up to 8 points.

### Standards

This lesson may be used to address the Common Core State Standards' reading standards for informational text, grade 1 (RI 1.2, 1.7).
